

Hong Kong SPAC Listing Applications welcomed from January 2022 onwards

January

2022

HKEX announced new rules to create a listing regime for SPAC in Hong Kong that will take effect on 1 January 2022. HKEX indicated that there is substantial market support for new Special Purpose Acquisition Companies (SPAC) regime proposals.

HKEX Head of Listing, Bonnie Y Chan, said: "Throughout the process of creating the new SPAC regime, we have been in continuous dialogue with stakeholders to understand market needs, practice and concerns. The new rules will be implemented broadly as proposed, with amendments to accommodate some commercial factors whilst ensuring the quality of listings."

The table below sets out a summary of the key differences between the proposals set out in the Exchange's consultation paper dated 17 September 2021 and the requirements to be implemented:
